- Only one parent may be in the circle with each baby. An adult other than parent may be designated by parent to sit with baby
- Spectators will be allowed to view judging but **MUST** remain in the spectator area
- Bottles or small toys are allowed during judging, however, strollers and other items should remain with someone in the spectator area
- Babies need to stay within an arms length of their parent and within the judging circle

**JUDGING:**

- Sunday, August 8<sup>th</sup> bring your baby to the La Habra Community Center located at 111 W La Habra Blvd by 10:30 am. At this time you will be checked in and given a number to put on your left shoulder. There will be 2 circles of chairs, one for each age group. Find the seat with your number and be seated. Judging will begin as soon as you enter the circle with your baby and should be completed no later than 11:45. Please remain in your circle until judging for both groups is completed.

Every effort is made to select judges from out of town; however, some alternates are needed. Judges have baby's numbers only; they are impartial and do their best. Judging will be based on personality, beauty and overall appearance. Judges work hard to be fair. Babies have good days and not so good days, but they are all precious and beautiful, so please enjoy but do not take this contest too seriously. This contest is intended to be kept fun and entertaining, especially for the babies and their parents. All babies will receive a participation ribbon and some will receive trophies. We hope everyone will enjoy this contest.

**AWARDS PRESENTATION:**

After the judging concludes please go directly to the El Centro Lions Park main booth for the awards presentation. Make sure you take all personal items with you.
